

Laura Acuña

Hope. Encouragement. God's Truth.

Laura Acuña is a speaker, author, Bible teacher, podcast host and coach. She's served as a women's ministry leader for over 22 years. A graduate of Liberty University, she earned a degree in Christian Counseling and a minor in Biblical Studies. She's the co-founder of Sisters In Faith Ministries, a non-profit ministry to women in the Damascus, Maryland, area. Married to Pat, the two are the parents of three sons, and one daughter-in-love. They became first-time grandparents to Evelyn Grace (finally a girl!) in July 2021.

Laura challenges her sisters to grow up to become spiritually and emotionally mature. Her new book, **Still Becoming: Hope, Help and Healing for the Diet-Weary Soul** will be published in December 2022. In her free time, you can find her looking for treasures at vintage barns or out to coffee with a friend.

Are you in need of a speaker for your next women's event?

Laura prayerfully considers each request and would love to have the opportunity to serve alongside you and your team at your next event!

"From the first time I heard Laura speak at our church's women's retreat, I was drawn in by her vulnerability and her passion for sharing God's truth. She is authentic and her story is relevant and relatable. Laura went above and beyond to connect with her audience, even sacrificing her breaks between sessions to patiently listen as other women poured out their hearts and shared their own stories. Since then, I have had the privilege of participating in many of Laura's women's ministry events (e.g. Sisters In Faith) and every time I leave feeling encouraged to make positive changes and move into a closer relationship with Jesus. I highly recommend Laura to anyone looking for an impactful, inspiring message deeply rooted in God's Word."

From Laura's heart...

My deepest desire is to continue to grow in my relationship with Christ, to become the mature woman He has created me to be and to inspire the same desire in other women. The calling God has placed on my life is to encourage and challenge women to grow up in health and wholeness and to take God at His Word. I want each woman to know she can take off her mask, experience His restoration, and be the beautiful one He created her to be.
